### DETAILED ACTION

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

#### ***Claim Rejections - 35 USC § 112***

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1 and 3-17 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 1, the inclusion of "other abrasives and mixtures thereof" renders the Markush group language meaningless. Nothing is excluded by "other abrasives" when the claim is directed to "abrasive particles". Therefore, the scope of the claim is unascertainable. Furthermore, it is unclear in what manner (if any) the Markush group is further limiting and not redundant; that is, whether claim covers the same scope as if "other abrasives" were not present.

Claims 3-17 are deemed indefinite in view of their dependency upon claim 1.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to H. T. Le whose telephone number is 571-272-1511.
